

Installation: Mohorovicic Cannon

Argenberg

Requires tech level 1. During the deploy phase, put a counter on Mohorovicic Cannon. Remove a counter: force your opponent to discard any one deployed mat?rirel card.

Installation: Developmental Neogenetics Amal.

Hamed Saber

All pilots you bring into play (while you control Developmental Neogenetics Amalgamated) gain Specialist status.

Installation: Peacewind Research Institute

Argenberg

Requires tech level 2. Once per turn, you may discard one deployed material of value at least 4 and draw a card.

Installation: Automek

Argenberg

At the beginning of each cycle, put one counter on automek. Remove 2 counters to gain 1 mat?rirel to spend on deployment during this cycle. Tech level 1

Installation: Advanced Particle Physics Lab

Argenberg

Your field units are considered to enter play equipped with a ranged hand weapon capable of light ranged damage.

Installation: Cosmodrome

Argenberg

Tech Level 2
